Experience The Difference

One Step Closer to Home

Angela Jane Subacute Services is accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO). Setting the standard in providing high quality care, Angela Jane Pavilion offers subacute services for those patients who are well enough to leave the hospital but not yet ready to return home. We understand the difficulties that may arise after an acute illness or accident. We strive to provide quality care, in a warm and comfortable setting.

At the Angela Jane Pavilion, we will do everything we can to accommodate your needs to make the transition to home more attainable.

TEAM COORDINATED SERVICES

Our services are team-coordinated among our compassionate staff of professional caregivers. They include physicians, physiatrists, and psychologists. Our rehabilitation team includes physical, occupational, speech and recreational therapists and rehabilitation nurses. Also, an integral part of our staff are case managers, dietitians and social workers. Individualized care plans and one-to-one treatment programs focus on measurable outcomes helping each patient adapt and/or recover in the shortest period of time.

A follow-up note indicating the type of services rendered is sent to your primary physician in the community upon discharge to keep them abreast of your progress.

SubAcute Services

We provide the following comprehensive services:

- *Medical Management*
- *Post Surgical Care*
- *Rehabilitation*
- *Social & Recreation Activities*

We understand the special bond between you and your loved one, and we will do our best to help maintain and strengthen that bond.

NOT SURE OF THE LEVEL OF CARE?

Prior to admission, all cases are reviewed for the appropriate level of care by the facility case managers and the hospital case managers and the designated insurance carrier.

A determination for services required will be made based on severity of illness and intensity of services.
