## Terraces at Parke Place

At **Terraces at Parke Place**, everything we do focuses on our residents. Our most important goal is to provide the best possible support services for each individual resident. **Terraces at Parke Place** provides a Special Needs Unit for those residents that require a secure living environment, as well as those residents who have higher medical needs, but do not need the care provided in a nursing home setting.

At **Terraces at Parke Place**, you will receive just the right amount of assistance while maintaining as much independence as possible. Selecting **Terraces at Parke Place** as your home can provide you with a stress-free, worry-free lifestyle.

Our spacious, private suites are designed to accommodate either individuals or couples. The well appointed common areas are ideal for socializing with newfound friends. Values, such as culture, pride, choice and independence are hallmarks of our community.

## People Who Care

At **Terraces at Parke Place**, our staff are some of the best professionals in the area, from healthcare to food preparation and residential services. We are committed to the highest level of quality care. Everything we do is focused on providing the best Assisted Living experience for our residents.

Our residents enjoy a life of personal choice, rich in a wide range of daily activities, restaurant style dining and meaningful lifestyle options. Residents are encouraged to participate as little or as much as they like and family and

Situated in the heart of beautiful Washington Township, **Terraces at Parke Place** offers the best of both worlds. Our relaxed setting is combined with convenience to shopping in nearby Pitman's quaint antique shops or at any of the area stores.

Picture yourself strolling along paths surrounded by 3 acres of gorgeous scenery, or just relaxing outside while watching the world go by.

Our spacious, private

friends are always welcome to join our activities and special events.

At **Terraces at Parke Place**, you will find delicious, nutritious meals with daily menu selections prepared by our own chefs.

We strive to respect each resident's sense of freedom and independence. We are sensitive to each individual need while, at the same time, providing essential security.

## Respite
